52 WEEK CHALLENGE

Here's the Challenge: Commit to a year-long, weekly savings plan.

Start with saving just \$1 during the first week of January. Then increase your savings exponentially as the weeks go on - \$2 the second week, \$3 the third week, etc. By this time next year, you will have saved \$1378!

Already have an emergency fund? Maybe you want to save for a vacation, Christmas shopping, or a downpayment for a vehicle. Customize this challenge and push yourself to save \$5 each week or save the challenge amounts in reverse, i.e. \$52 the first week, \$51 the second week, etc.

Download the challenge to help meet your goals.

PERSONAL HOLIDAY LOAN

After the holidays come all the holiday bills. This is why the full credit card cycle after December has been affectionately monikered "Blue Monday".

But not for Riverside members! A low interest rate personal loan can help you start the year off right!

Pay down any outstanding credit cards with high interest rates, use as the downpayment for a new vehicle, fix the leaky sink that you've been avoiding.

Whatever your needs are, take out \$500-\$3000 to be paid back within the year.

Talk to a loan specialist today for more information at 716-875-1747 ext. 600.

MEALS ON WHEELS

For the months of January and February 2016, Riverside will be donating all chocolate bar purchases to the Meals on Wheels Foundation of Western New York. Meals on Wheels promotes independent healthy living by offering nutritious food and a friendly visit to homebound seniors and disabled individuals. Meals are delivered directly to those in need, and no eligible person is denied due to their inability to pay. That's where we come in!
